A Letter from Our New President

Let me start by extending a very large and sincere thank you to the Friends of the Museum. We would not be able to keep our doors open without your generosity.

Please take a moment to read our newsletter and discover what a successful year this has been for the museum. This success was accomplished by our talented and tireless Museum Manager, Anna Rzuczek, her multi-skilled front desk clerk Charles Wheeler, our dedicated and hardworking Museum Board of Directors and our wonderful volunteers. We’re a great team and we love working together!

However, we sure could use more help. Please consider sharing your time, talent, and passion with us, your community maritime museum. If you can’t help directly, please join in our efforts to recruit others!

Our upcoming Museum season looks full of promise with many events and artist showings. Please come join us. We’d love to see you at the museum.

Sincerely,
Chris Bacon

In November we lost a devoted Board member, but more importantly—a beloved friend. If you were privileged to know Emmy, you knew a kind and gentle woman with an ever-present smile.

Emmy and her husband Gerry have been part of the Museum’s history and progress forward, through several transitions. Her calm and steady guidance was the hallmark of the Board meetings. We miss her enormously.

Because of Marian & Charles Kingsland’s generosity, we are now setting up an exhibit honoring Dr. Huckleberry and the Kingsland family. Stop by and see these new exhibits!

We Welcome Some New Additions at the Museum

No— not that kind!

We were contacted by Art and Janet Riedel, who own a home in Netarts, in March of 2014 offering to donate several new artifacts to add to our collection, in honor of Art’s father Arthur Reidel, Sr. The Riedel’s generosity has brought some fascinating new pieces to our museum.

Perhaps you would like to have a brief visit with this fellow? Ask him a question or two? No doubt he’s seen some amazing sights when he was diving full time....

In September we were honored to present the Riedel’s with a plaque commemorating their gift, which acknowledged the kindness and guidance Art Riedel Sr. taught to and shared with his son.

Janet Riedel accepts our thanks and a commemorative plaque at a ceremony in our Community Room in September of 2014.

Freddie’s Comes Through for Our Community—and Our Museum!

Dear Community Partner,

Thank you for your help in making Fred Meyer’s Community Rewards program a success in 2014! In the first year of the program, we donated $2.5 million to more than 6,000 non-profits throughout Alaska, Idaho, Oregon and Washington.

The program worked so well so that we are excited to bring it back in 2015, with a budget of $2.6 million for the year. There is no re-enrollment necessary from your organization or your current supporters.

With nearly 120,000 customers enrolled in Community Rewards and non-profit organizations continuing to sign up, we would like to ask for your help in keeping the program top-of-mind and encouraging your supporters to ensure that they are linked to the organization of their choice. By following this link, you can access a document that can be personalized for your organization and used to encourage all of your supporters to link their Rewards Card to your non-profit.

Thanks again for all of your help and best of luck with Community Rewards in 2015!

Become a Friend of the Garibaldi Museum

Tillamook County is fortunate to have its very own maritime museum, celebrating the history of Captain Robert Gray, 18th century sailing, the story of Garibaldi, Oregon - and much more. As our national economy faltered, we’re thankful to our local friends for their continuing support. That’s commitment!

Will you help the museum continue its mission of cultural preservation and education in your local community by joining or renewing your membership to the Friends of the Garibaldi Museum?

Thank You!

Our Mission...

• To enhance the maritime heritage of the Pacific Northwest with a focus on Captain Robert Gray’s historic voyage through The Tillamook Passage;

• To provide a vital-cultural hub for communities throughout the Pacific Northwest region, providing educational opportunities and events of interest for all ages;

• To encourage knowledge, understanding, and study of the cultural and historical aspects of shipbuilding, sailing, and navigation, including the celebration of the literature, art and music - as it was in past eras and as it relates to modern maritime practice.
